

Boston Redevelopment Authority
Artist Review Board Nomination Form

The Boston Redevelopment Authority (BRA) is assisting in a certification process for individuals pursuing space dedicated to “artists” within mixed-use and/or mixed-income developments that require BRA oversight and permitting. Accordingly, the BRA seeks nominations of individuals to serve on the “Artist Review Board” as part of the Artist Certification Process. Nominees should represent a wide spectrum of experience in the arts – both artists and arts professionals from all disciplines.

The Board of reviewers, appointed by the BRA Director, will review applications from artists who seek certification as “artists” in order to qualify for so-called “live/work” and/or work-only spaces developed in collaboration with non-profit arts groups, community development corporations, and private developers. Three rounds of artist certification will be held in 2004. As it assists in coordinating this certification process, the BRA seeks nominations of individuals who live and/or work in Boston and who are artists, arts educators and/or arts professionals in the following areas: dance, design in the built environment, folk and traditional arts, literature, media, music, performance art, theater, visual arts and cross-disciplinary work.

Nominations are welcome at any time. Completed nomination forms should be sent to Heidi Burbidge, Boston Redevelopment Authority, 9th Floor, One City Hall Plaza, Boston MA 02201-1007 by mail; or to heidi.burbidge.bra@ci.boston.ma.us by electronic transmission.
